

**Republic of Kosovo**  
Aeronautical Accident and Incident Investigation Commission  
AAIIC

Dear Family and Friends of the late Mr. Ulf Kramer

On behalf of the Aeronautical Accident and Incident Investigation Commission of Republic of Kosovo, we would like to express our sincere condolences to the family.

The words are deficient to describe the professionalism, contribute in aviation and human value that Ulf Kramer had. Ulf was a great person and he will be missed.

After the declaration of independence of Republic of Kosovo on 17<sup>th</sup> of February 2008 and the establishment of AAIIC in 2009, we found great support from Germany, France, United Kingdom and other member states of ENCASIA where we were familiarized and supported on capacity building according to the legislation of EU.

Under the term of Ulf Kramer as the Chairman of ENCASIA, the AAIIC of Republic of Kosovo was accepted as Observer State to ENCASIA and he provided to us great cooperation and he was always available whenever we needed him.

The AAIC of Republic of Kosovo is grateful to Ulf Kramer for various professional support that ENCASIA and BFU offered to the AAIC, without Ulf, the AAIC would not have the professionalism that have today.

Ulf Kramer was an excellent guide in aviation industry, a very experienced investigator and great person. We are proud to follow his lessons and steps in aviation.

With highest respect, we are passing the sincere condolences to his family, ENCASIA Members and BFU – Germany.
